

Passage is an injectable soil surfactant designed to overcome problems with infiltration and penetration of water from rainfall or irrigation events. Passage goes beyond just correcting conditions found on the soil surface. The properties of its multi-functional soil surfactants have been carefully "tuned" so they work together to address hydrophobic conditions in the subsurface layers of the soil profile.

PRECAUTIONARY STATEMENTS

NOTICE: Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, and Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

CAUTION: Keep out of reach of children. IN CASE OF EMERGENCY OR SPILL, contact Hazmat Response – 1 (800) 229-5252.

FIRST AID MEASURES IN CASE OF CONTACT

Eye Contact: DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

Skin Contact: Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

If Swallowed: Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

Inhalation: Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage, disposal or cleaning equipment.

Storage: Store in original container only and keep sealed. Store in closed storage area. Use caution when moving, closing or pouring.

Product Disposal: Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

ACTIVE INGREDIENT: 36% Alkoxylated Polyols
NOT A PLANT FOOD INGREDIENT

DIRECTIONS FOR GENERAL TURF USE
Greens & Tees, Fairways, Sports Turf and Parks / Recreation Areas

PASSAGE should be injected at 12-24 ounces per acre on a weekly basis. Application rates can be increased up to 36-48 ounces per acre as required to address problematic soils or drought conditions.

For application by conventional spray rig equipment, use PASSAGE SPRAYABLE.

LIMITED WARRANTY AND DISCLAIMERS

Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE.
