

Passage is a sprayable soil surfactant designed to overcome problems with infiltration and penetration of water from rainfall or irrigation events. Passage goes beyond just correcting conditions found on the soil surface.

The properties of its multi –functional soil surfactants have been carefully “tuned” so they work together to address hydrophobic conditions on the soil surface and in the subsurface layers of the soil profile. Passage Sprayable is safe to all turf grasses. Will NOT BURN.

#### PRECAUTIONARY STATEMENTS

**NOTICE:** Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, and Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

**CAUTION:** Keep out of reach of children. IN CASE OF EMERGENCY OR SPILL, contact Hazmat Response – 1 (800) 229-5252.

#### FIRST AID MEASURES IN CASE OF CONTACT

**Eye Contact:** DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

**Skin Contact:** Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

**If Swallowed:** Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

**Inhalation:** Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

#### STORAGE AND DISPOSAL

**Prohibitions:** Do not contaminate water, food or feed by storage, disposal or cleaning equipment.

**Storage:** Store in original container only and keep sealed. Store in closed storage area. Use caution when moving, closing or pouring.

**Product Disposal:** Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

#### CONTENTS:

- 2 x 2½ gallon
- 30 gallon drum

**ACTIVE INGREDIENT:** 52 % Blended Alkoxylated Polyols  
**NOT A PLANT FOOD INGREDIENT**

#### DIRECTIONS FOR GENERAL TURF USE

Greens & Tees, Fairways, Sports Turf and Parks / Recreation Areas

**A. Spray Application:** PASSAGE can also be applied by conventional spray rig equipment. Tank mix PASSAGE at 8 - 16 fl. oz. /100 gal of spray solution per acre. Apply every 1-2 weeks. PASSAGE DOES NOT NEED TO BE WATERED-IN FOLLOWING APPLICATION.

It is highly recommended that PASSAGE Soil Surfactant be applied prior to the development of environmental conditions that promote plant stress and water repellency on thatch and soil particle surfaces.

**B. For localized dry spots and turfgrass suffering under non-uniform growing conditions:**

Apply PASSAGE at 6 to 8 oz. per 1000 sq. ft. in 2 gallons of water – apply every 2 to 4 weeks as required. A light watering-in is recommended after application to facilitate PASSAGE movement into the soil profile. PASSAGE is safe – NO BURN.

For injection through irrigation systems, use PASSAGE INJECTABLE.

#### LIMITED WARRANTY AND DISCLAIMERS

Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE.

Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller.

Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case is liable for consequential, special or indirect damages resulting from the use or handling of this product.
