

METER

INJECTABLE SOIL SURFACTANT

METER is a highly specialized injectable soil surfactant designed to overcome problems with penetration and infiltration of water into the soil profile due to the variability of the soil matrix and water repellency at or near the soil surface. METER is a unique blend of soil surfactants. METER when used according to the label rates is safe to all turf varieties. METER WILL NOT BURN.

PRECAUTIONARY STATEMENTS

NOTICE: Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, and Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

CAUTION: Keep out of reach of children. IN CASE OF EMERGENCY OR SPILL, contact Hazmat Response – 1 (800) 229-5252.

FIRST AID MEASURES IN CASE OF CONTACT

Eye Contact: DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

Skin Contact: Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

If Swallowed: Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

Inhalation: Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage, disposal or cleaning equipment.

Storage: Store in original container only and keep sealed. Store in closed storage area. Use caution when moving, closing or pouring. Do not store below 45° F (7° C). Some settling may occur. Shake container (as practical) before use.

Product Disposal: Improper disposal of excess spray mixtures or restate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and

local authorities.

ACTIVE INGREDIENT: 25% Alkoxylated Polyols – 75% inert ingredients

NOT A PLANT FOOD INGREDIENT

DIRECTIONS FOR GENERAL TURF USE

Fairways, Greens Lawns, Parks and Sports Turf

Localized Dry Spot and Water Repellency Conditions thru Injection: Inject METER Injectable Soil Surfactant at the rate 12 to- 24 fl. oz. per acre on a monthly or as needed basis.

Spray application rates: Spray at $\frac{3}{4}$ to 1 oz. per 1,000 sq. ft. in a minimum of 1 gallon of water per 1,000 sq. Apply monthly or as needed.

It is highly recommended that METER Injectable be applied prior to the development of environmental conditions that promote plant stress and water repellency on thatch and soil particle surfaces.

LIMITED WARRANTY AND DISCLAIMERS

Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE.

Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller.

Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case is liable for consequential, special or indirect damages resulting from the use or handling of this product.

Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability.
