Turf

GUARANTEED ANALYSIS:

Calcium (Ca)30.000%
Magnesium (Mg)..... 4.000%
4.0% Water Soluble (Mg)
Molybdenum (Mo)..... 0.002%
Derived from: Calcium Silicate, Magnesium Silicate and Molybdic Oxide

CONTAINS BENEFICIAL SUBSTANCES:

Soluble Silicon (Si)4.5%

F002268

PURPOSE STATEMENT: *Converge Turf* is a granular soil product for turfgrasses with calcium and magnesium deficiencies. The calcium in *Converge Turf* will help improve pH imbalances in high sodic soils. Turfgrass species may also benefit from supplemental levels of soluble silicon that help improve crop tolerance to abiotic stresses as well as improve plant structural strength.

FOR COMMERCIAL USE ONLY

DIRECTIONS FOR USE: Proper application rates and frequency should be determined by specific conditions and plant requirements. A soil analysis is recommended prior to application of *Converge Turf*. Apply *Converge Turf* during periods of high calcium demand such as cell division and initiation of root growth. Apply at 5 to 7.5 lbs. per 1000 sq. ft. per month during a 3-month treatment period to build sufficient calcium and silicon reserves in the soil. *Converge Turf* can also be applied as a single treatment at 15 to 20 lbs. per 1000 sq. ft.

Consult your agronomist or a Numerator Technologies Inc representative for application timing, specific rates and necessity of its use. Contact Numerator Technologies Inc by phone 1-941-807-5333.

Florida Applications: (1) We recommend that you follow the Florida Green Industries BMP's at: <http://www.flrules.org/Gateway/reference.asp?No=Ref-04706>

(2) We recommend that you follow the Florida Golf Course BMP's at: <http://www.flrules.org/Gateway/reference.asp?No=Ref-04702>

CONDITIONS OF SALE: Seller warrants this product consists of the ingredients specified and is reasonably fit for the purposes stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guaranteed, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

CAUTION: The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of Molybdenum (Mo) which are toxic to ruminant animals.
